Dear Mr.Noe: -

A letter from Casa Pardo,of Buenos Aires,tells me they wrote the Society direct on August 22nd.asking for membership,which has never been acknowledged. Did you ever get such a request?

They have asked me to present their name as members,and forward them bill for fees etc,and they will make remittance promptly. Of course they will have to be regularly elected at the next Council meeting,and I will so write them,when I hear from you about the August letter,which I am sure you must not have received,or would have reported.

They are dealers in Coins,medals and stamps, and publish the brochure "La Filetela" which Mr.Wood sowed me some time back. I have dealt with them,and it was they who bought my four monographs on medals.

?????? Yours truly,

Harold E. Gillingham
